Total washouts, heat out

There are two possibilities:

1. **No play possible after both teams attend the venue:** Both teams fill out scoresheet with player names, write "washout" or "forfeit", sign the scoresheet. Home team enters result, selects "Complete W/O" or "Who gave the forfeit" and "Save".
2. **No play possible before team arrives at the venue e.g. pre-arranged washout or pre-notification of forfeit:** Both teams enter their own player names via the "By Ph" link on the club zone result entry page, then click "washout" or "forfeit". When entering a forfeit, the system will ask which team has forfeited.

Partial washouts, heat-out or unfinished matches due to bad light

Home team enters scores of completed and partially completed sets/rubbers. Leave unplayed sets empty and do not click on the "washout" button – click on "Save". You must enter details of players who would have played rubbers that did not start.

Checking correct result entry

1. Prior to scoring closing time (5.30pm Tuesday following match): Results can be viewed (see step 10 above) via score entry screen view link.
2. After closing time: Select senior competition "ladders" on the Waverley Home Page. Select ladder for your section then "results" on the top bar. Select your comp from the drop-down list then your section. You'll see round-by-round results for all matches played. Player lists and set results are obtained by selecting the number to the left of your match.

Results Dispute

Keep scoresheets from all matches as these will be requested from both the home and away team in the event of any dispute or query regarding entered results.

It is the responsibility of the away team to contact the relevant record secretary, by email, informing them of the result in question and include a scanned copy of the scoresheet within 14 days of the match.

Failure to enter results on time

If you fail to enter results on time you have two options:

1. Scan the scoresheet and email it to your record secretary.
2. Email all results to the record secretary in the order listed on the scoresheet.

This must be done by 8.30pm on the Tuesday following the match to avoid a fine or loss of points.
